

# 515-DV-CLRO

LED beacon Beacon | LED | 3 bolt mounting | 12-24V | Clear lens/red LEDs

A multi-voltage LED torch that has proven itself and can no longer be imagined without it. Inside is a strong piece of electronics and optical technology that controls 14 flash patterns. The power LEDs and patented fresnel lens ensure optimum visibility of your vehicle in all conditions. Made of durable and impact-resistant material, this torch is the best choice on a truck.

Mounting screws

## Specifications

|                          |                 |
|--------------------------|-----------------|
| Color                    | Red             |
| Colour of LEDs           | Red             |
| Operating voltage        | 12V - 24V       |
| Mounting                 | 3 bolt mounting |
| Operation temperature    | -30° C / +65°C  |
| Light source             | LED             |
| Number of LEDs           | 10              |
| Current draw 12V Amp     | 1,7 Amp         |
| Current draw 24V Amp     | 0,88 Amp        |
| Colour of lens           | Clear           |
| Synchronisable           | Yes             |
| Connection               | Open cable ends |
| Number of flash patterns | 14              |
| Diameter mm              | 142 mm          |
| Height mm                | 128 mm          |
| ECE R65 Class 1          | Yes             |
| EMC R10                  | Yes             |
| EMC                      | EMC R10         |
| IP-degree                | IPX5            |
