

518-DV-O/B

LED beacon Beacon | LED | 3 bolt mounting | 12-24V | Clear lens/amber & blue LEDs

This multi-functional beacon ensures discretion when turned off thanks to the transparent lens. Depending on the need, simply choose between the blue or orange function. This flashlight thus combines two full-fledged functions in one model. And don't worry, the output is so powerful that you are clearly visible and safe in all circumstances.

LED dual color beacon : amber & blue !

Specifications
